

## Significant Changes to the TAGS meet

The TAGS committee has made significant changes to the TAGS meet. These rules were not made up by the meet host and the meet host has no jurisdiction to change the rules. This is done at the TSA committee meetings. Please read the meet information thoroughly. For your convenience, the major changes are:

Finals will be for single year age groups: 10& under, 11, 12, 13, and 14

For swimmers entered in more than 7 events for the meet, they ***MUST scratch prelims*** prior to the start of relays during finals the evening before the event they are scratching. Failure to scratch the event will count as one of the swimmer's seven allowed events.

Events will be combined in prelims – seeded by time and gender only (as the TAGS order of events allows)

Events that are 400 yards and longer will be timed finals with the fastest heat swum in finals

No marching out to music for finals – a simple announcement will be made while swimmers are behind the blocks
