

February 19, 2008

Greetings to all Texas Swimming Officials:

North Texas is proudly hosting the 2008 Texas Age Group Championships!

I would like to take this opportunity to personally invite each and every one of you to join in the fun. The meet is scheduled for March 6-9 2008, at the A.J. Loos Swimming Center, Addison, Texas. TAGS has historically been one of the fastest age group meets in the country, and I am sure that this year will be no exception. The meet has been approved as a National Qualification meet, which will enable you to update or renew your certifications, or advance to a higher level.

What you need to know:

- You should plan on arriving at the pool about an hour prior to the start of the meet. This will give you a chance to sign in, meet your fellow officials, and sample the soon-to-be famous food in our hospitality area.
- The uniform for this meet will be white over blue for prelims, and blue over white for finals.
- If you are interested in a National evaluation, please e-mail me your request, so that we can ensure you are scheduled appropriately. A link to an application form can be found with the meet information on the North Texas Swimming website. I will also have forms at the meet.

I hope to see you in March!

JD Dawley
